PROFILE

Hello, I'm Johnson Samuel, a seasoned Frontend Developer with three years of experience. Proficient in HTML, CSS, and JavaScript, I specialize in creating visually appealing and user-friendly interfaces. My expertise extends to frontend frameworks such as React.js, Angular, and Vue is, ensuring a diverse skill set. I have a proven track record of collaborating seamlessly with design and backend teams for comprehensive development. Eager to contribute my frontend in technologies, including responsive design and crossbrowser compatibility, to enhance your organization's digital presence.

BSc Computer Science National Open University 2022 – present | Lagos, Nigeria

PROFESSIONAL EXPERIENCE

Melodia Coding Academy

web developer & Tutor

2023 – present | Lagos, Nigeria

With over a year of experience at Melodia Coding Academy, I excelled as both a Tutor and Web Developer. I effectively conveyed complex concepts to students while actively contributing to real-world projects, showcasing proficiency in HTML, CSS, JavaScript, and various frameworks.

Jodavi Media

Web developer

2023 – present | Lagos, Nigeria

As a Frontend Developer at Jodavi Media, I played a pivotal role in crafting websites for the company and external clients. Leveraging my expertise in HTML, CSS, and JavaScript, I delivered visually stunning and userfriendly interfaces. My contributions significantly enhanced the online presence of both Jodavi Media and other partnering organizations.

Standard Bearer School

Web Developer & Tutor 2022 - 2023 | Lagos, Nigeria

As an Educator at Standard Bearer School, I introduced students to digital skills, specifically in web development. Through engaging lessons, I facilitated the acquisition of foundational skills in HTML, CSS, and JavaScript. Successfully guiding students in building their own web projects, my role played a pivotal part in enhancing their digital literacy and creative abilities.
